## Festival 2013

# Champniers, A taste of Buenos Aires !

### Champniers, suburb of Buenos Aires ?

A small charming village just outside Angoulême, between Bordeaux and Cognac, where Argentinean Tango culture exists for a week during the festival, Tangoumois! Tangoumois 2013 promises to be a vintage year! After the 2012 Festival, Jorge Dispari promised to return each year until the end of his life – he keeps his promises and is again attending with his wife, Maria Del Carmen...

**María Del Carmen and Jorge**, world famous Argentine Maestros are the guardians of the pure 'Tango de Salon con el mayor del estilo Villa Urquiza' style of which they are the undisputed masters. They happily accepted our invitation and we thank them again. They are the Honorary Presidents of the festival.

**Amanda and Adrian**, Maestros and students of Maria Del Carmen and Jorge – they are their worthy world-wide ambassadors. Based in La Rochelle, France, they are driving this style in the region whilst at the same time enjoying a first class international career. They are particularly dear to us and we thank them again for their sincerity, originality and the modernity they bring to this style of tango. They are Artistic Directors of the festival.

**Gisela and Rodrigo**, young Argentinean dancers based in Paris who have developed their own dance and a dynamic way of teaching transmitting the technical, aesthetic and sensitivity of tango, always respectful of the traditions of Buenos Aires. They have danced

and taught tango in France, Spain, Germany, Switzerland, Poland, Bulgaria, the Ukraine, the United States, Lebanon, China, and in Argentina.

**Sylviane and Pascal**, Teachers based in Nantes, students of Amanda and Adrian, they participated in the last two Tangoumois and are highly regarded by both students and ourselves and will be here again this year. Their kindness and their knowledge of Tango are undeniable assets.

### Culture sharing !

Courses, events and performances, a busy week in various locations : the Cantina, Cafetin, ExpoTango, Carlos Di Sarli Tivoli for its afternoon prácticas, a quality programme detailed in the following pages. Another attraction is the Gala Milonga with the **Orchestra Tipica Roulotte Tango**, Orchestra specifically chosen for the ball.

**Come share a week full of different flavours of the Milongas of barrio Villa Urquiza.**
